Monitors - Seperate sends where possible. Sarah-Jane and Ewan will share a mix where only two sends are available.

FOH MIX - Anne Sofie's vocal generally on top of mix. Ewan also sings some lead vocals and will need to be be louder on those numbers.

Please keep plenty of bass in the guitars to accommodate octave pedal.

The Fiddle XLR Line needs phantom power.

Please mute Fiddle DI between songs to allow for swapping the mic between two different fiddles.
